Proudly Serving Those Who Served

Years ago you made a commitment to your country; we are here to return the honor.

The Wisconsin Department of Veterans Affairs is proud to offer you and your spouse the opportunity to enjoy life with fellow veterans in a safe and enriching environment that is free of day-to-day worries.

The Wisconsin Veterans Home at Union Grove includes modern and affordable residences, a variety of social opportunities and comprehensive, skilled nursing services on its conveniently located campus in southeastern Wisconsin.

Whether you require the specialized care offered in our skilled nursing facility or have a loved one in need of our protective memory-care environment, the Wisconsin Veterans Home at Union Grove stands ready to serve you.

A Comprehensive Choice of Skilled Nursing Services

The skilled-nursing facility provides compassionate and professional long-term care to veterans and spouses who cannot be cared for in their homes. A multidisciplinary team of physicians, nurses, therapists and social workers develop a customized, goal-oriented treatment plan to address each Member's specific needs.

We offer a complete range of skilled nursing services, including sub-acute care; on-site speech, physical and occupational therapy; laboratory and diagnostic services; short-term rehabilitation; and long-term care in an environment that promotes healing and recovery.

Together, Boland Hall and Gates Hall offer 148 spacious private rooms with private half baths and 10 semi-private rooms. Maurer Hall offers a centralized Member center.
