Hello, my name is Sue Nelson. I'm a rather new volunteer at King as I started in October 2021. I live about five miles from the Home's campus, so it's very convenient for me to get here. My husband of 42 years, Paul, passed away in 2018. I have two grown children; Sara who lives in Eden and Erin from Greenville. I also have four wonderful grandchildren.

I volunteer for the Ainsworth Hall members' Tuesday shopping trips, and I also escort members to and from Sunday chapel services. Once a month I volunteer at The Highground Veterans Memorial Park in Neillsville as a porch greeter, and I also volunteer at the Mayo Clinic in Alzheimer research. I have a couple of different hobbies including knitting, sewing, and bicycling. My past jobs were teaching, working for the Waupaca County Deputy Sheriff, and retail sales at the former Younkers store in Plover.

My reason for volunteering at King is because my husband, Paul, was always very proud of his military service. He is buried at King in the Central Wisconsin Veterans Memorial Cemetery, and this is my way of feeling close to him and to give back to our veterans.
STANDING BY

Chaplain Ben Schroeder - Lutheran Chaplain at King

“But when the fullness of time had come, God sent forth His Son, born of woman, born under the law, to redeem those who were under the law, so that we might receive adoption as sons (Galatians 4:4-5/ESV).”

“Standing by.” This expression is used by military members to inform unit leaders that they are ready and waiting to execute orders when directed. The men and women in our armed forces are always standing by ready to deploy into combat operations to defend our nation and our freedoms. Our veterans at King were once on stand-by as well.

After humanity’s fall into sin, the Son of God was on stand-by. Standing by ready and willing to save and rescue fallen sinners like you and me. According to God’s perfect timing, He deployed His Son on a special operation to save us from sin, death, and the Devil. God’s Son was inserted into the world behind enemy lines when He became a human being. He then engaged in combat against the enemy and executed His mission flawlessly. He lived a perfect life obeying all of God’s laws in our place. He sacrificed Himself on the Cross paying the just penalty for all our sins. And then He rose again from the dead in victory. He did this to rescue us and “so that we might receive adoption as sons.”

Now God’s people are standing by as they daily look for opportunities to serve their Savior God and love others. Stand by!

IOLA CAR SHOW & PACKERS VISIT
Members enjoyed outdoor entertainment on the 4th of July, a visit from the Packers, a fishing trip on the Chain, a big blackjack winner, woodworking, Iola Car Show, and two members went on a ride in a fully restored vintage bi-plane courtesy of Dream Flights. A fun filled month of activities!
July has not let us down! The weather and time with our friends have been amazing. This month we had a visit with a blast from the past Jenny at our bonfire. We got cherry floats and root beer floats. Then of course there was July 4th, and we got to hear special music in the park. There was also the picnic on the patio, a boat ride for our red hat ladies, and a very fun water day. And of course, who didn’t love the visit from the Packers! We can’t wait to see where August takes us.
