**Join us** as we celebrate the completion of a new mural depicting a Veterans' experience from enlistment to basic training to addiction and homelessness to finally recovery and home ownership.

**Painted by artist James Heber,**

*US Army Veteran and Veterans Housing and Recovery Program participant,* the mural is 36-feet long and 6-feet high. Heber spent more than 500 hours completing the mural.

The Veterans Housing and Recovery Program provides temporary housing, training, and supportive services to military Veterans who are homeless or at risk of becoming homeless in order to help them obtain permanent housing. VHRP helps Veterans achieve stability, increase their skill levels and/or income, and obtain greater self-determination that enables them to reintegrate back into the community.
