dispute creates an exemption to prompt payment.

After attempting to resolve the dispute, the Grantee hereby agrees that any action, proceeding or claim arising out of or relating in any way to this Veterans Emergency Mental Health Services/Treatment Grant shall be brought and enforced in the courts of the State of Wisconsin, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive and all disputes the venue shall be in Dane County Circuit Court. Prior to instituting a legal action in Dane County Circuit Court both parties agree to make a good faith effort to informally resolve the dispute. The Grantee hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum.

Any such process or summons to be served upon either Party may be served by transmitting a copy thereof by registered or certified mail, return receipt requested, postage prepaid, addressed to the other Party at the address set forth in the addresses listed in the Notice and Demand Clause (Letter R). Such mailing shall be deemed personal service and shall be legal and binding upon either Party in any action, proceeding or claim.

**BB. Severability.** If any provision of this Agreement, shall be adjudged to be unlawful, then that provision shall be deemed null and void and severable from the remaining provisions and shall in no way affect the remainder of this Agreement.

If any provision of this Agreement thereof to the Grantee or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Grant Application, along with Schedules A and B, and the application of such provision to other circumstances shall not be affected by such invalidity or unenforceability.

**CC. Failure to Perform.** The Department reserves the right to suspend payment of funds or recoup paid funds if required reports are not provided to the Department on a timely basis, if there are deficiencies in those reports, or if performance of contracted activities is not evidenced.

Schedules A and B, and the application of such provision to other circumstances shall not be affected by such invalidity or unenforceability.

G. Assurances of Compliance with Civil Rights Requirements.

- 1. As a condition of receipt of federal financial assistance provided by DVA, Grantee provides the following assurances with respect to the operation of its Program:

- a. Grantee will ensure its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
- b. Grantee acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Grantee understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Grantee shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Grantee understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Grantee’s programs, services, and activities.
- c. Grantee agrees to consider the need for language services for LEP persons when Grantee develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
- d. Grantee acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Grantee and its successors, transferees, and assignees for the period in which such assistance is provided. Grantee understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Grantee, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Grantee for the period during which it retains ownership or possession of the property.
- e. Grantee acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances a-d above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between Grantee and its sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

*The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury’s Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with “Limited English Proficiency” in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury’s Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.*

and monitoring of any settlement agreements that may result from these actions. Grantee shall comply with information requests, on-site compliance reviews and reporting requirements.

3. Grantee shall maintain a complaint log and inform DVA so it can inform DOA who then can inform the Treasury Department of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome.
4. Grantee must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Grantee and the administrative agency that made the finding. If the Grantee settles a case or matter alleging such discrimination, the Grantee must provide documentation of the settlement. If Grantee has not been the subject of any court or administrative agency finding of discrimination, please so state.
5. If the Grantee makes sub-awards to other agencies or other entities, Grantee is responsible for ensuring that grantees also comply with Title VI and other applicable authorities covered in this document. Grantee must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of grantees.
