Dear King Members, Friends, and Family:

Yesterday, the 1,000,000th COVID-19 case was reported in Wisconsin. Waupaca County is seeing a very high COVID-19 case activity level. Please help us to stop the spread of the virus and protect those who are living on our campus.

Since we updated you yesterday, we have had 1 employee test positive for COVID-19. Currently, we have 14 cases of COVID-19 on campus (1 member, 13 employees).

Finally, if you are feeling sick, get tested. Whether you have COVID-19, the flu, or something else, a proper diagnosis gets you treatment faster and protects everyone around you. Continue to wear a mask when out, remain six feet away from others, avoid crowds and poorly ventilated spaces, wash your hands frequently, and get vaccinated.

Thank you for your commitment to our health and safety.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
