

January 5, 2022

Dear King Members, Friends, and Family:

The rapid rise of cases of COVID-19 cases is overwhelming hospitals, causing some schools to return to virtual learning, and creating even greater staffing shortages across many industries. Thank you for doing your part to help keep our community healthy. As always, we continue to encourage those who haven't yet had their vaccination and/or booster to please do so. This is the best way to help stop the spread.

Since we updated you yesterday, we have had 5 employees test positive for COVID-19. Currently, we have 19 cases of COVID-19 on campus (1 member, 18 employees).

Continue to wear a mask when out, remain six feet away from others, avoid gatherings, wash your hands frequently, and if you feel sick, get tested.

Thank you for your commitment to our health and safety.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
