

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

January 6, 2021

Dear Union Grove Members, Friends, and Family:

I would like to start by sharing a little information with you today. There are currently nearly 28,000 ACTIVE cases of COVID-19 in the state. Just yesterday, 3,403 new coronavirus cases in 69 of Wisconsin's 72 counties were reported. Yes, distribution and administration of the vaccine has begun, but we need more time and more people to receive it for it to take its full effect. In the meantime, we must all continue to observe all the COVID-19 safety practices.

Since my January 4, 2021 update, we have had three employees test positive for COVID-19. No additional Members have tested positive. Currently there are 27 active positive cases of COVID-19 on campus (15 Members, 12 employees).

Please continue to be vigilant in protecting yourself and others against the virus. Stay safe by limiting gatherings, maintaining six feet of distance from others when going out, wearing a mask, and washing hands regularly.

Sincerely,

A handwritten signature in black ink, appearing to read 'Erin Johnston'.

Erin Johnston
Commandant
