

January 6, 2022

Dear King Members, Friends, and Family:

Waupaca County is seeing a critically high COVID-19 case activity level today. As hospitalizations rise due to COVID-19 Omicron variant, we remain very concerned about the health and safety of our members and our staff.

Since we updated you yesterday, we have had 3 employees test positive for COVID-19. Currently, we have 22 cases of COVID-19 on campus (1 member, 21 employees).

As always, we ask you to continue to follow the guidance of the CDC regarding wearing face coverings in public, social distancing, avoiding large crowds and washing your hands frequently. Please, if you are feeling sick, get tested. If you haven't already, please consider getting vaccinated and boosted. It is the best way to help us prevent the spread of the virus and its potentially deadly effects.

Thank you for your commitment to the health and safety of our campus.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
