January 8, 2021

Dear Union Grove Members, Friends, and Family:

I hope this letter finds you well.

Since my January 6, 2021 update, we have had one Member test positive for COVID-19. No additional employees have tested positive. Currently there are 18 active positive cases of COVID-19 on campus (11 Members, seven employees).

Unfortunately, community spread of the virus remains very high in Racine and surrounding counties. Please continue safe practices that help protect against the virus such as avoiding gatherings, maintaining six feet of distance from others when going out, wearing a mask, and washing hands regularly.

Sincerely,

A handwritten signature in black ink that reads "Erin Johnston" with "UGVA" written below it.
