Dear King Members, Friends, and Family:

Hello. I hope this letter finds you well. We truly appreciate all the of the understanding and support we are receiving as we continue to work to keep everyone safe and healthy during this pandemic.

Since my update on yesterday, we've had one member positive for COVID-19. Currently there are eight active positive cases of COVID-19 on campus (four members, four employees).

I am heartened to see that the positivity rate for COVID-19 is trending down, but we are not out of the woods. Please continue to take precautions against the virus by staying home as much as possible, wearing a mask when out, remaining six feet away from others, and frequently washing your hands.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".
