

February 2, 2022

Dear King Members, Friends, and Family:

Waupaca county continues seeing critically high levels of COVID-19 transmission activity as reported by the Wisconsin Department of Health Services. We urge you to continue to exhibit healthy personal behaviors that reduce your exposure to the Omicron variant and help us mitigate the spread into our Home.

Since we last updated you on January 31, we have had 2 employees and 2 members test positive for COVID-19. Accounting for member and employee recoveries, currently we have 25 cases of COVID-19 on campus (6 members, 19 employees).

We are extremely grateful to all who take care to follow our health measures when visiting our Home. Please continue to physically distance, wear an N95 or KN95 face covering, limit your social interactions, and wash your hands frequently. Thank you for practicing the best health measures to protect yourself and others against COVID-19.

Thank you for your continued commitment to the health and safety of our campus.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".

Tammy Servatius, Commandant
