

February 9, 2022

Dear King Members, Friends, and Family:

We greatly appreciate your continuing support of our Veterans Home at King to provide compassionate, skilled nursing care to your family member. Even as the COVID-19 cases continue to thankfully decline in our Home, we remain focused on the continued health and well-being of our members.

Since we last updated you on February 7, we have had 1 employee and 1 member test positive for COVID-19. Accounting for recent recoveries of employees and members, we currently have 14 cases of COVID-19 on campus (6 members, 8 employees).

As always, wear an N95 or KN95 mask when in public, remain six feet away from others, avoid crowds, wash your hands frequently, and get vaccinated and boosted. When we all work together, we can successfully limit the spread of the virus into our Home.

Thank you for your commitment to the health and safety of our campus.

Sincerely,

A handwritten signature in cursive script that reads 'T. Servatius'.

Tammy Servatius, Commandant
