Feb 17th - Veterans Home Indoor Visits Begin!

Dear Family and Friends –

We will begin our indoor visitation on Wednesday, February 17th. These 30 minute visits need to be scheduled with the receptionist on a first come-first served basis. The visits will occur Monday – Friday, with no more than 2 guests at a time. The visits will be scheduled from 10am until 2pm, with visits starting on the hour. We ask that each member only has 1 visit per month as to ensure all members get an equal opportunity to see their loved ones.

There is specific guidance that visitors will need to adhere to, such as: answering screening questions with temperatures taken, nasal swabs, wearing masks at all times, social distancing at all times, and using hand sanitizer before and after your visit. Please keep in mind that if we have a Covid case among staff or members, these visits will cease until we can safely resume.

See attached letter for more information.

Please call the receptionist at 715-720-6775 to schedule your visit.

As always, I welcome you to contact us with any questions.

Thank you and be well,
