

February 21, 2022

Dear Union Grove Members, Friends, and Family:

We greatly appreciate all who are doing your part to exhibit healthy behaviors in your daily routine to reduce your exposure to COVID-19. We are grateful to see COVID-19 virus cases decrease across our state and in our Home. We ask that you please continue to do your part to mitigate your exposure to the virus.

Since we updated you on February 9, we have had 1 employee test positive for COVID-19. Accounting for recent recoveries on campus, we currently we have only 1 case of COVID-19 on campus (0 members, 1 employee).

Please continue to follow the guidance set by the Centers for Disease Control when it comes to wearing N95 or KN95 face coverings, healthy social distancing, and frequent hand washing. If you have not yet been vaccinated or boosted, please consider doing so as this reduces the risk of serious hospitalization or prolonged illness.

Thank you for your continued commitment to the health and safety of our Home.

Sincerely,

Kimberly Storlie

Kimberly Storlie, LNHA
