

February 28, 2022

Dear King Members, Friends, and Family:

The Wisconsin Department of Health Services continues to report COVID-19 virus cases declining in Waupaca County today. We appreciate all who continue to exhibit healthy behaviors in your daily routine to mitigate the spread of COVID-19 into our Home.

Since we updated you on February 24, we have had 1 employee test positive for COVID-19. Accounting for recent recoveries, currently we have 3 cases of COVID-19 on campus (0 members, 3 employees).

All visitors coming to our Home are required to wear an N95 or KN95 mask and perform a health check assessment when arriving. The CDC continues to recommend everyone wear an N95 or KN95 mask when out in the community, remain six feet away from others, avoid crowds, wash your hands frequently, and get vaccinated and boosted.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
