Dear King Members, Friends, and Family:

According to data released by the Wisconsin Department of Health Services the case level continues to decline in Waupaca County. We are grateful to all who take precautions in your daily routine to mitigate the spread of COVID-19 into our Home.

Since we updated you yesterday, we have had 2 employees test positive for COVID-19. Accounting for all recent recoveries, currently we have 5 cases of COVID-19 on campus (0 members, 5 employees).

If you are planning to visit our campus, all visitors are required to wear an N95 or KN95 mask and perform a health check assessment upon arriving. If you are feeling ill, please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
