

March 31, 2022

Dear King Members, Friends, and Family:

We appreciate all who have been doing their part to take healthy precautions in their daily routine to keep exposure to COVID-19 low. Even though the Wisconsin Department of Health Services continues to report declining COVID-19 levels in Waupaca County, the virus is still in our communities.

Since we last updated you on March 21, we have had 1 employee test positive for COVID-19. Accounting for all recent recoveries, currently we have 1 case of COVID-19 on campus (0 members, 1 employee).

Finally, if you are feeling sick, please get tested. If you are feeling ill, please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are required to wear an N95 or KN95 mask and perform a health check assessment upon arriving.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
