

April 14, 2022

Dear King Members, Friends, and Family:

We greatly appreciate all who are doing their part to exhibit healthy behaviors in their daily routine to reduce exposure to COVID-19. We are grateful to see virus transmission continue to decrease across our state and in our Home. Please continue to do your part to mitigate your exposure to the virus.

Since we last updated you on April 4, we have had 1 employee test positive for COVID-19. Accounting for all recent recoveries, currently we have 1 case of COVID-19 on campus (0 members, 1 employee).

If you are feeling sick, please get tested. Please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are required to wear an N95 or KN95 mask and perform a health check assessment upon arriving.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".
