

May 13, 2022

Dear King Members, Friends, and Family:

We are grateful to see virus transmission continue to be low in our area of the state and in our Home; however, COVID-19 continues to affect our members and employees. Please continue to do your part to exhibit healthy behaviors in your daily routine to reduce exposure to COVID-19. Together, we can help mitigate the spread of the virus into our Home.

Since we last updated you on May 6, we have had 7 employees and 1 member test positive for COVID-19. Accounting for all recent recoveries, currently we have 8 cases of COVID-19 on campus (1 member, 7 employees).

If you are feeling sick, please get tested. Please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are asked to wear an N95 or KN95 mask and perform a health check assessment upon arriving.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius
