

May 17, 2022

Dear King Members, Friends, and Family:

We are grateful to see virus transmission continue to be low in Waupaca County and in our Home; however, the Wisconsin Department of Health Services (DHS) continues to monitor an increase in the spread and impact of COVID-19 across our state. DHS recommends that we all take additional precautions against COVID-19 to protect our health and save lives. Please do your part exhibit healthy behaviors in your daily routine to reduce the potential spread of the virus into our Home.

Since we last updated you on May 13, we have had 3 employees test positive for COVID-19. Accounting for all recent recoveries, currently we have 6 cases of COVID-19 on campus (0 members, 6 employees).

If you are feeling sick, please get tested. Please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are asked to wear an N95 or KN95 mask when in our buildings and perform a health check assessment upon arriving.

Thank you for your ongoing commitment to the health and safety of our Home.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".
