Dear Union Grove Members, Friends, and Family:

The Wisconsin Department of Health Services is reporting that Racine County is currently experiencing high levels of COVID-19 virus transmission today. While we are grateful to see low transmission levels in our Home, we ask that you please take precautions to exhibit healthy behaviors in your daily routine to reduce the potential spread of the virus.

Since we last updated you, we have had 1 employee test positive for COVID-19. Accounting for all recent recoveries on campus, we currently we have only 1 case of COVID-19 on campus (0 members, 1 employee).

If you are feeling sick, please get tested. Please do not visit until you have had a chance to take a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are asked to wear an N95 or KN95 mask when in our buildings and perform a health check assessment upon arriving.

Thank you for your continued commitment to the health and safety of our Home.

Sincerely,

*Kimberly Storlie*
