

Veterans Home - Chippewa Falls

8.19.2021 Veterans Home Weekly Family Updates - Initial

Dear Family and Friends,

Here is our current and cumulative information:

Current Active COVID-19 Confirmed Positive:	3
Current Active COVID-19 Suspected Positive:	0
Cumulative COVID-19 Confirmed Positive:	66 (twenty-four members, thirty-six employees, three contracted individuals)
Cumulative COVID-19 Suspected Positive:	2 (one member, one employee)
Total Recovered:	61 (twenty-one members, thirty-seven employees, three contracted individuals)

Through our COVID-19 outbreak testing process, we have identified a new COVID-19 case in a staff member. Therefore, visitation is temporarily suspended. We will be conducting facility-wide testing again and we will communicate when we are able to reopen for guest visits.

Closed window visits can still occur. Please bring your cell phone or tablet in order to hear your loved one through the closed window.

Per the CDC, everyone living in areas of “high” or “substantial” levels of community transmission must wear masks in public regardless of vaccination status. Currently, the entire state of Wisconsin is in high or substantial levels. Please keep yourself safe. We encourage everyone to become vaccinated and wear a mask at all times when outside of your home.

More information to come later today.

Best,

Megan M. Corcoran, NHA | Administrator
Wisconsin Veterans Home at Chippewa Falls
