Dear Family and Friends,

| Current Active COVID-19 Suspected Positive: | 0 |
| Cumulative COVID-19 Confirmed Positive: | 66 (twenty-four members, thirty-six employees, three contracted individuals) |
| Cumulative COVID-19 Suspected Positive: | 2 (one member, one employee) |
| Total Recovered: | 62 (twenty-one members, thirty-eight employees, three contracted individuals) |

We are thankful that one employee is now considered to be recovered. We currently have two employees with COVID-19.

Indoor visits continue to be suspended at this time. I'll inform you as soon as we're able to resume indoor visits, based on guidance from Public Health and CMS. Additionally, Households A and B are currently in quarantine to help stop the potential spread of COVID.

Please continue to connect with your loved ones through Closed Window Visits. No appointment is needed. Please bring your phone or tablet so you can call your loved one during the visit to best hear each other.

We will continue with frequent testing to quickly identify any further cases to help keep everyone as safe as possible.

Thank you for your patience as we work through this together. The safety of your loved ones and our team members are our top priority.

Best,

Megan M. Corcoran, NHA | Administrator
