

September 9, 2021

Dear Union Grove Members, Friends, and Family:

As we continue to see a surge in COVID-19 cases in the state, we are also seeing cases of COVID-19 here on campus. The state is averaging more than 1,400 cases per day, a month ago that number was 310. Racine County has very high COVID-19 case level activity.

Since we last updated you on August 27, we have had one employee test positive for COVID-19. This is currently the only case of COVID-19 on campus.

Per the Centers for Medicare and Medicaid Services (CMS), we continue with facility-wide COVID-19 testing and limiting visitation. (As a reminder, it is always best to call ahead or visit [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com) to confirm which member units are open before traveling for a visit.)

I continue to ask you to please get vaccinated if you have if you haven't been already. The Delta variant is proving especially contagious. As always, please continue to adhere to the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing.

Sincerely,

*Syble Euring-Barry*
