

September 15, 2021

Dear King Members, Friends, and Family:

COVID-19 cases in Wisconsin continue to surge. According to the CDC, all but one county in Wisconsin is experiencing high COVID-19 transmission levels.

Since we last updated you on September 13, we have had one employee test positive for COVID-19. Currently we have three cases of COVID-19 on campus, all employees.

I continue to ask you to please get vaccinated if you haven't been already. In Wisconsin, the \$100 COVID-19 Vaccine Reward Program offers a \$100 U.S. Bank Rewards card to any Wisconsin resident who receives their first dose of COVID-19 vaccine in Wisconsin, Minnesota, or Michigan between August 19 and September 21. More information can be found at [100.wisconsin.gov](https://100.wisconsin.gov). Visit [Vaccines.gov](https://Vaccines.gov) to find a vaccination site near you.

As always, please continue to adhere to the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing. Working together, we can help prevent the spread of COVID-19 on our campus.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".

Tammy Servatius, Commandant
