Dear King Members, Friends, and Family:

Thank you for your continued support as we work to provide the best quality care in the midst of the COVID-19 pandemic.

Since we updated you yesterday, we have had one employee test positive for COVID-19. Currently we have six cases of COVID-19 on campus (two members, four employees). As a reminder, we are reminding visitors to check in before visiting campus so that you can ensure that you will not be disappointed when you arrive. Call or visit [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com) before visiting.

Please help us stop the spread of COVID-19. If you haven't already, getting vaccinated is one way to help. COVID-19 vaccines are safe, effective, free, and widely available. Everyone 12 and older is recommended to receive a COVID-19 vaccine. Visit [vaccines.gov](http://vaccines.gov) to find an appointment near you.

Please continue to adhere to the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".

Tammy Servatius, Commandant
