Dear King Members, Friends, and Family:

Seven-day averages show COVID-19 is still spreading in our communities. Please take steps to protect yourself and others. I am thankful for the spirit of collaboration among our veterans home family in our fight against COVID-19. The pandemic changed many things, but it did not change the fact that we truly care about each other.

Since we updated you on October 4th, we have had two members test positive for COVID-19. Currently we have five cases of COVID-19 on campus (three members, two employees).

As always, please exercise caution to remain safe and healthy. Continue to wear a mask when out, remain six feet away from others, avoid crowds and poorly ventilated spaces, wash your hands frequently, and get vaccinated. If you are still in need of a vaccine, visit <https://vaccinefinder.org/> to find a location near you.

Sincerely,
