

October 13, 2021

Dear King Members, Friends, and Family:

I hope this letter finds you well. Like elsewhere throughout the state, we continue to see cases of COVID-19 here at King. This weekend, the state passed 750,000 confirmed coronavirus cases and 40,000 hospitalizations for COVID-19. Thank you for doing your part to help prevent and slow the spread of the virus.

Since we updated you on October 11th, we have had one employee test positive for COVID-19. Currently we have seven cases of COVID-19 on campus (two members, five employees).

As a reminder, if you are planning on visiting a member, you should double check the unit's visitation status by calling ahead or checking www.WisVetsHomesCOVID.com.

We continue to encourage those who are able but haven't yet been vaccinated to do so. We also encourage you to stay vigilant in following the CDC's guidance with regard to social distancing, face coverings, and hygiene.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
