

October 14, 2021

Dear Union Grove Members, Friends, and Family:

COVID-19 is still spreading in our communities. Please take steps to protect yourself and others. I am thankful for the spirit of collaboration among our veterans home family in our fight against COVID-19. The pandemic changed many things, but it did not change the fact that we truly care about each other.

We have had one employee test positive for COVID-19. This is currently the only case of COVID-19 on campus.

As always, please exercise caution to remain safe and healthy. Continue to wear a mask when out, keep socially distant, avoid crowds and poorly ventilated spaces, and wash your hands frequently.

I continue to ask you to please get vaccinated if you have if you haven't been already. The Delta variant is proving especially contagious. If you are still in need of a vaccine, visit <https://vaccinefinder.org> to find a location near you.

Sincerely,

Syble Euring-Barry

Syble Euring-Barry, RN, LNHA
