Dear King Members, Friends, and Family:

Hello! I hope you are able to get out and safely enjoy this beautiful fall weather. Wisconsin - and our campus in particular - is truly beautiful this time of year as the fall colors surround us.

Since we updated you yesterday, we have had one member test positive for COVID-19. Currently we have ten cases of COVID-19 on campus (five members, five employees).

COVID-19 is avoidable and preventable. Let's all take precautions against it by continuing to adhere to the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing.

Sincerely,

A handwritten signature in black ink that reads "T. Servatius".
