John R. Moses Skilled Nursing Facility

We have been caring for Wisconsin's heroes for 130 years at the Wisconsin Veterans Home at King. Now, our campus will undergo its biggest transformation yet with the addition of John R. Moses Hall, a new state-of-the-art 24-hour skilled nursing facility. Moses, a World War II Veteran who served as Secretary of the Wisconsin Department of Veterans Affairs for 23 years, was devoted to serving Veterans and was especially dedicated to the making sure that King was a place that veterans can be proud to call home. Moses Hall will be a fitting legacy.
