Volunteering on the Home Front

Hello, my name is Joyce Chapman. I have been volunteering here at King for about three years with my therapy dog, Daisy. She is a white Malte-poo and the members just adore her. I am from the Waupaca area and live about 6 miles from King. I have been married to my husband Rod for 46 years now and have two beautiful children, Brooke and Jeremy, both now living in Milwaukee. I have several different hobbies besides volunteering here at King, including knitting, crocheting, playing games and card games. When I was working, my job was with Learning Disabled middle schoolers for 11 years and at the Waupaca County Courthouse for 11 years before retiring due to Leukemia. Retiring early due to Leukemia (I have now made a full recovery), I had extra time on my hands, so I decided to volunteer not only here at King, but at Spencer Lake Christian Center, Foundations for Living, and Saxeville Community Church.

I really enjoy my time here at King. I’ve volunteered over 200 hours along with my dog Daisy. Not only do I visit with the members, but I love to sing to them as well. The members enjoy listening while petting Daisy and I feel it gives us all some peace inside.

Photography Club: We have been receiving requests by mem bers about starting up a Photography Club here in King and a lead person is needed to work with the activity staff. This project is still at the early stage, any ideas or suggestions you might have you are most welcome. If you are interested, please let us know.

King Fisher: (Building is located behind Ainsworth Hall where fishing poles, worms, etc. are kept) Here are the tasks that is needed: open the building, organization, test and repair rods and reels (it’s ok if you don’t know how); set up members to fish from the dock; assist members, if need be, to bait the hooks, cast a line, and remove the fish. Get the fishing rods ready for the fishing boat every morning.

Members really do enjoy fishing pole, worm, etc. Some days are slower than others, but at least the option is there. Available spots still open are: Tuesday morning 8:00 a.m. to 11:00 a.m., Thursday after nos 12:30 p.m. to 3:00 p.m., and Friday mornings 8:00 a.m. to 11:00 a.m.
