## A HOME FIT FOR A HERO

Welcome home! The Wisconsin Veterans Homes have earned a distinguished reputation nationally, with excellent safety records and high quality of care ratings.

**We are proud of our beautiful campuses**—from our scenic campus right on Rainbow Lake, to our cozy country home just minutes from downtown Milwaukee, to our cabin in the Northwoods in Chippewa Falls.

**The Wisconsin Veterans Homes' highly trained and dedicated staff provides quality medical and nursing care for veterans**, a veteran's spouse, a veteran's widow or widower and Gold Star Parents.

**Each of our unique campuses offers a wide variety of special programming and therapies for our members.** Therapy dogs, a Namaste room, gardening, and a Music and Memory program are just a few alternatives offered alongside traditional programs and therapy.

**Our homes host dozens of special activities each week.** Plus, members take more than 400 special activity trips a year. That includes things like bus trips to baseball games, state parks, fishing excursions, and so much more.

**Come visit us**, take a tour and see what our homes have to offer!
