Records Custodians are normally available to accept requests during WDVA's regular office hours of 7:45 a.m. and 4:30 p.m., Monday through Friday. Requests may be made orally or in writing and must be reasonably specific as to subject matter or time period. As soon as practicable and without delay, the custodian will either notify you of the availability of the records requested or deny the request in whole or in part because the records do not exist or are not accessible under the public records law. The time it takes the custodian to respond to the request will depend on factors including the nature and extent of the request and the availability of staff and other resources necessary to process the request. If the custodian denies a written request, the requester has the right to receive the denial in writing.

### FEES

The Wisconsin Public Records Law permits WDVA to charge the actual, necessary, and direct cost of locating the records if it exceeds \$50. Any staff time for locating records will be billed at the hourly rate of salary for the lowest-paid employee capable of performing the task. The hourly rate charged for locating records may also include the cost of benefits, but will not exceed \$30 per hour. WDVA may require pre-payment if total costs exceed \$5, with settlement of payment after the total cost is finalized. WDVA does not assess fees for reviewing records for possible redaction or removal of confidential information.

WDVA may charge its standard fee of \$0.15 per printed page, \$.07 per page for converting paper records to electronic format, and the actual costs for the physical media used to provide electronic records. When requested and whenever practicable, WDVA will provide electronic copies of records that already exist in electronic format without charging reproduction fees on a per-page basis. However, if the record requested is not in a readily comprehensible form (e.g., computer file, database entry), WDVA may charge the actual cost of creating a readily comprehensible copy. WDVA may charge the actual, necessary, and direct cost of postage, courier, or delivery services. There may be an additional charge for specialized documents, videos, and photographs, and for retrieving records and files from the State Records Center. The above fees apply except where a different fee is authorized by law.
